Cal.
I can't express how I feel about you or our friendship.
You have been so very kind to me. You have done some
kind things for me. I know this might sound funny to
other but I love you because if you want a friend and
you have one it surely is in you. I hope me and you
will stay in touch. I don't
that's have to say that
alright I hope are friendship
will never cease
because once you
have a friend
you always will.
And that friend
you have in me.
Keep doing what
your doing and
remember whether
you really fail or
succeed atleast
you lived as you
believed. I will
always remember
you. Love
always
Cynthia

PORT CHESTER HIGH SCHOOL MARCHING BAND

Our Port Chester High School Marching Band is well known throughout parts of the country. In past years they have traveled to California, Wisconsin, Virginia, Florida, and Quebec for numerous parades and competitions. This year's trip was to Washington, D.C. for the Cherry Blossom Festival.

Many first place trophies for musical quality and over-all appearance have been added to the band's collection. Under the direction of Joseph Telesco, the band has reached a peak in its musical ability and its unique discipline. Our band was and will continue to be a true asset to the community.

THE PENINGIANERS

education is the apprenticeship to life

Time,
What does it all mean?
Why do the best things end quickly?
Why can't happiness be forever?
Why does the sun have to set on a happy day?
But maybe this happiness we have known,
Happiness we have shared with others,
Happiness we made blossom,
Is only the beginning of the joy that is to come,
The joy which will shape our lives,
As these past years have helped to do.
Life goes on.
Without a moments' notice another year has passed,
Another sun has set,
Another dream has been made,
Only to give us the knowledge,
The curiosity,
The wisdom,
To fortify our dreams,
And make them reality.

Dear Carolyn-
Best of luck to you in the future. I hope you enjoy yourself in California. I hope you get every thing you deserve. I wish you the best of life because you deserve it. Take care of yourself and come back to visit. Remember me.

You know I definitely wish
you success in the future
especially in acting because
I know that's what you want
to do. But if that doesn't
work out just keep base and
everything will work out. We
had some good times together
and I hope just because of
graduation they won't be over.
Stay the way you are
